understand that each horse reacts differently to different people, handlers, and riders. As an adopter, I
inderstand it is my responsibility to get to know my equine fully in order to protect it and the people
nandling or riding it. I understand it can take up to 6 months for a horse to acclimate to a new
environment and new people and that I will give my adopted horse every opportunity to get to know me
and its new environment before expecting it to perform. Please circle: Y or N
